Super Admin Panel

The Super Admin who is managing all the multi hospitals can see all hospitals, their users and can set the related pricing plans from this panel.

Dashboard

Powerful super admin dashboard which is useful to get quick information about the business, what's going on nowadays.

Subscription Plans

Super admin will create different kinds of plans for hospitals and that will be visible to the main landing page.

A screenshot of the 'Subscription Plans' management interface. It shows a table with columns for NAME, PRICE, FREQUENCY, TRIAL DAYS, and ACTIVE PLANS. The table lists three plans: VIP, Basic, and Standard. Below the table is a 'Subscription Plan Details' modal window for the 'Basic' plan, showing its configuration and features.

NAME	PRICE	FREQUENCY	TRIAL DAYS	ACTIVE PLANS
VIP	€ 100	Month	N/A	0
Basic	\$ 12	Year	2 Days	6
Standard	\$ 10	Month	7 Days	1

Subscription Plan Details

Name: Basic

Currency: USD

Price: \$ 12
